Our Mission

The Diversity and Inclusion Professionals of Central Pennsylvania (DIPCPA), created in 2008, provides professional development for Diversity and Inclusion Practitioners.

DIPCPA is a resource group that brings regional diversity professionals together to discuss the day-to-day implementation of initiatives within Central Pennsylvania.

"I have found that my time spent with the DIPCPA group has been very helpful in making contacts with like-minded individuals, receiving training on legislation and policies related to the field and having access to training provided by gurus in related fields."

Ann H. Moffitt, Pennsylvania Family Support Alliance
